

# I Know

Aly & AJ

It's a state of mind that's bringing me down  
So tell me one will get you out  
You haven't left your bed in days  
And I know we've all seen better days

I know  
You know, who's gonna pick you up  
Who's gonna take you home (take you home)  
I know  
You know, who's gonna pick you up  
Who's gonna take you home (take you home)

I know  
I know  
I know  
You know  
I know

It takes some time just to learn someone  
Like the way you write under the sun  
Your light is fading out too soon  
Maybe if I could somehow feel this too?

I know  
You know, who's gonna pick you up  
Who's gonna take you home (take you home)  
I know  
You know, who's gonna pick you up  
Who's gonna take you home (take you home)

I know  
I know  
I know  
You know  
I know

Who's really gonna care about tomorrow?  
It's gonna be fine  
Who's really gonna care about tomorrow?  
It's gonna be fine  
You're gonna be fine  
We're all gonna be fine

I know  
You know, who's gonna pick you up  
Who's gonna take you home (take you home)  
I know  
You know, who's gonna pick you up  
Who's gonna take you home (take you home)

I know  
I know  
I know  
You know  
I know
