

# Promises

Aly & AJ

Drove this time to your house at night  
Saw a car but it sure ain't mine

Must be someone here  
It's my worst fear  
Must be someone here  
Not my first tear

All this is, is another mistake  
Is another mistake  
To check off my list  
All this is, is another big break  
Is another big break  
With promises  
Ooh, ooh, ooh  
Promises  
Ooh, ooh, ooh  
Promises

Hard to stop when my car's in drive  
When I can't stop thoughts of driving right inside your place

Must be someone here  
It's my worst fear  
Must be someone here  
Not my first tear

All this is, is another mistake  
Is another mistake  
To check off my list  
All this is, is another big break  
Is another big break  
With promises  
Ooh, ooh, ooh  
Promises  
Ooh, ooh, ooh  
Promises

Guess I'll go back  
Guess I'll go home now  
Gotta turn around  
There's nothing here for me now  
Nothing here for me now

All this is, is another mistake  
Is another mistake  
To check off my list  
All this is, is another big break  
Is another big break  
With promises  
Ooh, ooh, ooh  
Promises  
Ooh, ooh, ooh  
Promises  
Ooh, ooh, ooh  
Promises
