

# Sanctuary

Aly & AJ

You're my north star  
I'm gonna follow you to take me home  
When the sky is getting dark  
I know you'll be my shelter from the storm  
You deserve all my love  
All my adoration  
You deserve all my love  
Oh my, oh my  
You deserve all my love  
This is my dedication  
I'm saying thank you, thank you  
For your sanctu-, sanctuary  
I'm saying thank you, thank you  
For your sanctu-, sanctuary  
Sanctuary, sanctuary  
Sanctuary, sanctuary  
Every waking moment  
Yeah, you always bring me to my knees (oh)  
Somehow no one does it better  
When you fall down and commune with me (oh)  
You deserve all my love  
All my adoration  
You deserve all my love  
Oh my, oh my  
You deserve all my love  
This is my dedication  
I'm saying thank you, thank you  
For your sanctu-, sanctuary  
I'm saying thank you, thank you  
For your sanctu-, sanctuary  
Sanctuary, sanctuary  
Sanctuary, sanctuary  
I've come a long, long way for this  
You better believe I'd lay it down for this  
All the things that I would give  
To let you know  
I'm saying thank you, thank you  
For your sanctu-, sanctuary  
I'm saying thank you, thank you  
For your sanctu-, sanctuary (I'm saying, I'm saying)  
I'm saying thank you, thank you (I just wanna thank you)  
For your sanctu-, sanctuary (I just wanna thank you)  
I'm saying thank you, thank you  
For your sanctu-, sanctuary (I'm saying, I'm saying)  
Sanctuary, sanctuary (I just wanna thank you)  
Sanctuary, sanctuary (I just wanna thank you)  
I'm saying, I'm saying  
I just wanna thank you  
I just wanna thank you
