

Sisters

Aly & AJ

Sisters, sisters
There were never such devoted sisters
Never had to have a chaperone, no sir
I'm here to keep my eye on her
Caring, sharing every little thing that we're wearing
When a certain gentleman arrived from Rome
She wore the dress and I stayed home

All kinds of weather, we stick together
The same and the rain or sun
Two different faces, but in tight places
We think and we act as one
Those who've seen us
Know that not a thing can come between us
Many men have tried to split us up but no one can
Lord help the mister who comes between my sister
And lord help the sister who comes between me and my man

All kinds of weather, we stick together
The same and the rain or sun
Two different faces, but in tight places
We think and we act as one
Those who've seen us
Know that not a thing can come between us
Many men have tried to split us up but no one can
Lord help the mister who comes between my sister
And lord help the sister who comes between me and my man

Sister, sister, don't come between me and my man
