

# Back To Church

Alyson Stoner

Go ahead and pray for me  
Cause I move just a bit unholy sometimes  
It's inside of me  
Like a bat out of hell trying to get out tonight (tonight)  
Now lock the doors, I'll show you a rhythm that you never seen  
I'll take the lead  
Meet me on the floor and I'll tell you a secret baby, this is how it's gonna  
be  
I threw away the key, now you can never leave

You'll get high, I'll get low  
I'm not trying to save your soul  
Oh, when your body hurts  
I'm gonna take you back to church

Don't belong to me  
Might as well because I'll be crossing the line  
You're so wrong for me  
You could see it at first but now you're just blind  
Now lock the doors, I'll show you a rhythm that you never seen  
I'll take the lead  
Meet me on the floor and I'll tell you a secret baby, this is how it's gonna  
be  
I threw away the key, now you can never leave

You'll get high, I'll get low  
I'm not trying to save your soul  
Oh, when your body hurts  
I'm gonna take you back to church  
Back to church  
I'm gonna take you, I'm gonna take you  
Back to church  
I'm gonna take you, I'm gonna take you  
You'll get high, I'll get low  
I'm not trying to save your soul  
Oh, when your body hurts  
I'm gonna take you back to church

I'm just trying to take you  
I'm not trying to save you  
I'm just trying to take you  
I'm not trying to save you

You'll get high, I'll get low  
I'm not trying to save your soul  
Oh, when your body hurts  
I'm gonna take you, I'm gonna take you  
Back to church  
I'm gonna take you, I'm gonna take you  
Back to church  
I'm gonna take you, I'm gonna take you  
You'll get high, I'll get low  
I'm not trying save your soul  
Oh, when your body hurts  
I'm gonna take you back to church  
I'm just trying to take you
