FOOL

Alyson Stoner

I miss you
Yeah I'm just waking up
Feeling lonely as fuck
And I want you
On the floor, on the chair
I don't care, anywhere
That you want to, just gimme that
Gimme that heartfelt
Makin' my heart melt
Feeling, mmh

I'm sorry
Every night I go out
Always giving you reasons
To worry
But it's all in your head
I'm a good girl I swear
Won't you hurry, to gimme that
Gimme that old school
Playing it all cool
Baby, mmh

So gimme love, gimme love
Take it right back to your backseat, oh
'Cause I can't get enough
I don't wanna wait no
I just wanna take off
Right into your heart
Right to where you are
Baby you know
What you do

When you look at me like that, mmh
And that voice, it drives me mad, mmh
And you know that just one touch
And God I'm sold
I'm your fool

Believe me
It's just us, me and you
One and one, it makes two
It's so easy
An equation that will
Never change, you and I
Are meant to be
It's gravity
No matter how far
Wherever we are
Waiting, mmh

So gimme love, gimme love
Take it right back to your backseat, oh
'Cause I can't get enough
I don't wanna wait no
I just wanna take off
Right into your heart
Right to where you are

Baby you know
What you do

When you look at me like that, mmh
And that voice, it drives me mad, mmh
And you know that just one touch
And God I'm sold
I'm your fool

When you look at me like that, mmh
And that voice, it drives me mad, mmh
And you know that just one touch
And God I'm sold
I'm your fool

Give me love, gimme love, ooh
Give me love, gimme love
And you know that just one touch
And God I'm sold
I'm your fool

And when you look at me like that, mmh
And that voice, it drives me mad, mmh
And you know that just one touch
And God I'm sold
I'm your fool
