

# What I've Been Looking For

Alyson Stoner

One, two three

La-la-la-la-la-la la

It's hard to believe that I couldn't see  
You were always there beside me  
Thought I was alone with no one to hold  
But you were always right beside me

This feelings like no other  
I want you to know

I've never had someone that knows me like you do  
The way you do  
I've never had someone as good for me as you  
no one like you  
So lonely before I finally found  
What I've been looking for

do do do do do whoaa oooh

So good to be seen  
So good to be heard  
Don't have to say a word  
For so long I was lost  
So good to be found  
I'm loving having you around

This feeling's like no other  
I want you to know

I've never had someone that knows me like you do  
The way you do  
I've never had someone as good for me as you  
No one like you  
(repeat)

So lonely before, I finally found  
What I've been looking for

do do do do do do do  
Whoaaaa  
Do do do do do do
