

Woman

Alyson Stoner

I am not here to play nice
Or leave with a good review
Been in trouble once or twice
Biting more than I could chew

It's not my fault that I can do it like a man cause a woman no different
On the floor I'm already a step ahead, see the cards you're playin' baby
No chance left for ya politics, better get a witness
I will never be contained, I got too much to say
Cause I'm a
Woman! Woman!
I'm a
Woman! Woman!

Toe to toe and head to head
Sweating bullets I am sure
Bout to raise the stakes again
Time that I settled the score

Not my fault that I can take it like a man cause a woman no different
On the floor I'm already a step ahead, see the cards you're playin' baby
No chance left for ya politics, better get a witness
I will never be contained, I got too much to say
Cause I'm a
Woman! Woman!
I'm a
Woman! Woman!

Okay, honey. I think you understand.
If you're too close to the flame, you will get burned. Yea.
And I'm a woman. A w-o-m-a-n.
When you blow smoke, I catch my second wind. And it's...

Not my fault that I can take it like a man cause a woman no different
On the floor I'm already a step ahead, see the cards you're playin' baby
No chance left for ya politics, better get a witness
I will never be contained, I got too much to say
Cause I'm a
Woman! Woman!
I'm a
Woman! Woman!
