Gravity

Alyssa Reid

I’m flying high
I’m defying gravity
Kiss me goodbye
I’m defying gravity

And you won’t bring me down

If I lie will you let me go?
We got lost in each other’s soul
I’ll leave and I’ll never know
Will you let me go?

Can’t you see it’s killing me?
I’m wide awake in all my dreams
And all that I can see is you
I’m trembling in your energy
And holding all the memories
And hoping that it can’t be true

I’m flying high
I’m defying gravity
Kiss me goodbye
I’m defying gravity

Cause I’m paralyzed
By the light in the sky
Kiss me goodbye
I’m defying gravity
And you won’t bring me down

Tell me why it always stays the same
Why’d I give you everything?
I never wanna break the chain
Will you let me go?

Can’t you see it’s killing me?
I’m wide awake in all my dreams
And all that I can see is you
I’m trembling in your energy
And holding all the memories
And hoping that it can’t be true

I’m flying high
I’m defying gravity
Kiss me goodbye
I’m defying gravity

Cause I’m paralyzed
By the light in the sky
Kiss me goodbye
I’m defying gravity
And you won’t bring me down

I’m paralyzed
By the light in the sky
I’m paralyzed
By the light in your eyes

I’m paralyzed
By the light in the sky
I’m paralyzed
By the light in your eyes

I’m flying high
I’m defying gravity
Kiss me goodbye
I’m defying gravity

Cause I’m paralyzed
By the light in the sky
Kiss me goodbye
I’m defying gravity
And you won’t bring me down
