

2 Wheelers

AM

(Ayy, MZY, turn me up)

(ES on the Beat)

Two wheelers with skengs and rambos, who's really on man though?

Hop off the bike and dust man down 'till he run out of breath, I ain't tryna
let man go

Step anywhere man can go, jerk man's plug then it's back to the bando

Got studs in the T like Zandos and I got studs for the boots like astro

Man can't tell me 'bout lotion (Can't)

Put the .9 to his head back (Du-

du) and I press that (Baow), let it spit like Konan (Ugh)

And now they're gonna say that this flow was stolen, I kick down doors I don
't care if it's open (Man kick down doors), I'm with TS that's bronem (Ayy)

Boy got yinged, I don't know if he's coping (I don't)

Dick too big, I don't know if she's choking (Ugh)

Really finna change this weather, you ain't got no umbrella (Mad)

Whip too hot, I ain't doin' no OT trips

Haffi' run train like Heather

Two in a dots, it's pepper, nigga, these shots ain't passive

One to the chest and header

Never seen corn so massive

Know they in the car I wrap it, If she ain't a J I slap it

Two wheelers with skengs and rambos, who's really on man though? (No one)

Hop off the bike and dust man down 'till he run out of breath, I ain't tryna
let man go (Get man down)

Step anywhere man can go (Du-

du), jerk man's plug then it's back to the bando (Bando)

Got studs in the T like Zandos and I got studs for the boots like astro (Ugh
)

)

Smokey talk without no smokes, rudeboy, have you even got a P's for it? (Bao
w)

Don't be talkin' like you're doin' up road with your ting, when you ain't ne
ver been seen with it (Never)

Broski jumped out and splashed him in front of his baby mum, she ain't tryna
be seen with him (Dirty)

Don't think 'cause I'm out in public I ain't in possession

If you see me, I be with it (Got it)

Big ting, let it roar like Simba (Du-

du), two shotguns doin' Knock Down Ginger (Knock, knock)

Any time man lurk man linger, pull up, bow, lead splinter (Baow, baow)

No prints could've left my finger, clean that, swipe to the left like Tinder
(Man, swipe that)

Got bun and the mandem left him, man got saved by the bell like Stringer (St
ringer bell)

Two wheelers with skengs and rambos, who's really on man though? (No one)

Hop off the bike and dust man down 'till he run out of breath, I ain't tryna

let man go (Get man down)

Trap, stack, man make bands from the trap and you know man stack it (Stack u
p)
Rollin' with olders, no need to question 'cause I know bro brang it (No ques
tions)
Bro tryna do fifty 'round the bend and that had the rear end shaky (Skrrt)
Shouts-out bro 'cah the wap he gave man, it never had no safety (None)
Still steppin' out in public (Know)
True, I make bands in public (Still)
O went and did it in public (Baow) then he dashed off in public (Cuttin')
I ain't seen bro for a while (Free bro) 'cah the things that he did in publi
c
Shouts-out nine real public stepper, fam, he did ten with the eight steppin'
