

## Old Song

AM

Keep saying that you're somewhere you're nowhere at all  
Now you're running on habit hanging plans on the wall  
It always seemed like the tables turned easy for you  
Now there's all these people tellin' you what to do

But I know that you once were somebody that had so much to say  
Now you're nothing but an old song rearranged

When you've got all you need sometimes you can't tell  
I wonder if those big hands are holding you well  
This wasn't what I had hoped for I wanted you to shine  
Now it seems that you're moving down the narrowest line

But I know that you once were somebody that had so much to say  
Now you're nothing but an old song rearranged  
Now you're lost cuz you've got yourself in the way  
Now you're nothing but an old song rearranged

Now they're stuck on their new found  
Soon you won't be around  
God I wish I was wrong

But I know that you once were somebody that had so much to say  
Now you're nothing but an old song rearranged  
Now you're lost cuz you've got yourself in the way  
Now you're nothing but an old song rearranged
