

Powers 2

AM

It-it-it's Havoc baby

Whoosh Beats

Must be mad tryna style on gangnem

I don't know what the boy there thinking

Young boy loves tryna step at random

No shush in the woosh, it's barkin', wait 'til I creep with the ting that wh
ispers

I was on the block for hours, laid in flowers and showed man powers

Tryna take that pack in three, two, that's ours

I don't know what the boy there thinking, jump out, rise like Alton Towers

When the man see me, see drama, I ain't got time for no cowards

I was on the block for hours, laid in flowers and showed man powers

Tryna take that pack in three, two, that's ours

I don't know what the boy there thinking, jump out, rise like Alton Towers

When the man see me, see drama, I ain't got time for no cowards

Fuck O-Boy, he can die where he's standing, corn got beat, it was one of the
mandem

Young boy loves tryna step at random, man don't score, I'm sending him brand
ing

Must be mad tryna style on gangnem, please tell fat boy come back to Lambeth

In school it was hard, we bredrin, so it's on sight if I ever see Samson

I said my little star don't twinkle, and the bells ain't got no jingle

That's a dent in your face like dimples, and a crease in your head like wrin
kles

When your mate turns opp, it's simple, that's bonds that we can't rekindle

Ting rise like I ain't got signal, then I send man down like Tinsel

I was on the block for hours, laid in flowers and showed man powers

Tryna take that pack in three, two, that's ours

I don't know what the boy there thinking, jump out, rise like Alton Towers

When the man see me, see drama, I ain't got time for no cowards

Tryna take that pack in three, two, that's ours

I don't know what the boy there thinking, jump out, rise like Alton Towers

When the man see me, see drama, I ain't got time for no cowards

Why you love giving me verbal? I was out here minding my business

Then you run if a man just circle, cah that's twenty-
five shots like Christmas

I released my stress 'round oval, I don't run to increase my fitness

Had two tings getting emotional, how the fuck should I know they were sister
s?

I done lurked on the finest blocks so long, had residents tryna take picture
s

I spent half man's collage in Lambrooks, man went nuts tryna patent the fixt
ures

No shush in the woosh, it's barkin', wait 'til I creep with the ting that wh
ispers

And I can't be broke, I'm allergic, man will break out with hives and bliste
rs

I was on the block for hours, laid in flowers and showed man powers

Tryna take that pack in three, two, that's ours

I don't know what the boy there thinking, jump out, rise like Alton Towers
