

Burn my hotel down  
I'm blacked out but I'm still running round  
Even though it's now  
We're strung up but we're still running round  
Burn my hotel down  
I'm backed up so I'm still running round  
We're back up so we're still running round

Pretty girls seem to get there way  
Even if they don't have much to say  
I can't, I can't, I can't sleep  
Who knows, could be you tonight  
Slipped away, they held on too tight  
What did he say?  
I can't, I can't, I can't breathe  
I can't, I can't, I can't breathe  
I can't, I can't, I can't breathe

Should it be I've lost my way it's happening all on my own  
Should it be I've past the gate I'm strapped in, no don't let go  
It keeps on coming down  
I push the struggle out  
Tell me did it reach the crowd  
Ohohohoo

Pretty girls seem to get there way  
Even if they don't have much to say  
I can't, I can't, I can't sleep  
Who knows, could be you tonight  
Slipped away, they held on too tight  
What did he say?  
I can't, I can't, I can't breathe

Burn my hotel down  
Lock me in so I can't run out  
Even though it now  
Tried so hard, we can't stay around  
Burn my hotel down  
It didn't seem like it  
Was a problem for you to think about?

Should it be I've lost my way it's happening all on my own  
Should it be I've past the gate I'm strapped in, no don't let go  
It keeps on coming down  
I push the struggle out  
Tell me did it reach the crowd  
Ohohohoo

I can't, I can't, I can't breathe
