

## Amp It Up

Amaarae

Oh my life body sweeter than Tropicana  
Girl you a star to me, to me  
I said oh my life beep, beep  
That a me outside gyal jump inna di car  
Come as you are  
You never have to hide no scars

She no need nobody (baby)  
Still want company (baby)  
Come and get it all from me  
Come take it all off from me

She no need nobody (baby)  
Still want company (baby)  
Come and get it all from me  
Come take it all off from me

Gyal you ram too much  
Lemme torch it up  
Plug it in, mek me amp it up  
Say you no want no love  
But you want it rough  
Plug it in, mek me amp it up

Gyal you ram too much  
Lemme torch it up  
Plug it in, mek me amp it up  
Say you no want no love  
But you want it rough  
Plug it in, mek me amp it up

Boy hit my line whenever you want company  
I'm in your world for life and your harmony  
Open up for me  
Touching your body  
Love enough for three

If I'm all you need for the time, you'll only regret what's after me  
Nobody else can compare, nobody else can compete  
I wanna love you and leave you, it's torture, baby  
When I just wanna be your friend

Gyal you ram too much  
Lemme torch it up  
Plug it in, mek me amp it up  
Say you no want no love  
But you want it rough  
Plug it in, mek me amp it up

Gyal you ram too much  
Lemme torch it up  
Plug it in, mek me amp it up  
Say you no want no love  
But you want it rough  
Plug it in, mek me amp it up
