

Fineshyt

Amaarae

There's room in my body
I taught it to party
It's gnarly, it's naughty to stop
The rush has subsided
I want us to try it
And starting
And starting and starting
And starting with you
Water down to a sip
Sweat it down to a drop
Wanna dance
She's hot, she's hot
She's hot, she's hot
She's fine, she's fine
She's fine

She's my fine shyt
I love her then I don't
She always on the phone
I give her what she want
My fine shyt
She can't be out alone
I'm buying all her clothes
It's whatever she want
She's my fine shyt

I feel like I'm juiceman
But from 50015
I already smoked my zip
I'm already on that bean
I'm pouring it on her zoo
Cause she's my new sexy machine
My sexy sex machine
I like your new physique
Don't you feel the club
Don't you feel that mud
Don't you feel the sadness
Don't you fill the cup
You pour me up too much
I like my bitch too much
You know I do too much
Always do too much

She's my fine shyt
I love her then I don't
She always on the phone
I give her what she want
My fine shyt
She can't be out alone
I'm buying all her clothes
It's whatever she want
She's my fine shyt
She's my fine shyt
She's my fine shyt
Shyt, shyt, shyt, shyt, shyt
She's my fine shyt
My fine shyt

This time I want you now to
Try ni, na, ni, na
Dip Molly till your London Bridge is down
Now baby, now this time
I spiked this drink so please open your mouth
Say ahhh, haaa, ahhh, haaa,
Ahhh, haaa, ahhh, haaa, ahh
She spending all my money
I'm bout to get more
She burning through my drugs
I can't buy from the store
My Barbie in the club
And she's out of control
I never give her up
Cause she knows how to go

She's my fine shyt
I love her then I don't
She always on the phone
I give her what she want
My fine shyt
She can't be out alone
I'm buying all her clothes
It's whatever she want

She's my fine shyt
I love her then I don't
She always on the phone
I give her what she want
My fine shyt
She can't be out alone
I'm buying all her clothes
It's whatever she want
She's my fine shyt
