

# HELLZ ANGEL

Amaarae

Inshallah  
I'm with the squad  
Bet that's on God, I did it  
Without a plan or a penny  
Rackets on rackets I'm spendin'  
Can I get momma a Bentley?  
Only time will tell  
On my way to hell  
On my way out jail  
I just dropped 50 on bail  
Set my niggas freeeee - No AJ  
Back to the basics  
The base, babe  
Face it, babe  
I made it, babe  
The baby on henny  
We'll make it, babe  
Get naked, babe  
Then say my name, yea  
Back to the basics

Bitch, I'm in my bag on 10

Rolls Royce windows tinted  
I'm going down  
Everyday is mine, I flex  
Four freaks in the ride I sex  
Diamond in the back  
Fucking up a bag  
Pimp on the prowl  
Bitch, I'm in my bag on 10

If you wan' reach me  
I don't make songs  
Bitch, I make memories

I don't like thongs  
Cuz they ride up in jeans  
I don't smoke trees but I drink  
But I - (ugh yeah)  
Automatic whipper  
Pull up in a fisker  
Kiss your kitty whispers  
Wipe up on a pretty pistol  
Rock you steady  
Singing whispers then I'm gone

Bitch, I'm in my bag on 10  
I can't even lack, I'm blessed  
Rolls Royce windows tinted  
I'm going down  
Everyday is mine, I flex
