

When this beat go blama
In CzechSlovakAtlanta
I want your body black
Make it sex attack

I got some sexy ways
I move my body right?
Yen freaky freaky, uh
Ma ninko all night

Do you like disco, rave?
танцевальный клуб?
Yes, my love is free
But none of these drugs

Summer Wintour Smut
You've got the stuff to strut
Now pump your body
Eat the floor, just like a disco slut

I came in with my techa
I squeeze it make you wetta
I got the drugs you want
That key, that (sniff), that uh
No camera
I'm famous
I gave my bitch a bone
My trap is going up
Take that shit
Warm it up

Ketamine, Coke & Molly
Ketamine, Coke & Molly
Ketamine, Coke & Molly
