

## Starman

Amaia

Didn't know what time it was and the lights were low  
I leaned back on my radio  
Some cat was laying down  
Some rock 'n' roll, that is how he said  
Then the loud sound did seem to fade  
Came back like a slow voice on a wave of phase haze  
That weren't no D.J  
That was hazy cosmic jive

There's a starman waiting in the sky  
He'd like to come and meet us  
But he thinks he'd blow our minds  
There's a starman waiting in the sky  
He's told us not to blow it  
'Cause he knows it's all worthwhile  
He told me:  
"Let the children lose it"  
"Let the children use it"  
"Let all the children boogie"
