

Beautiful World

AmaLee

(It's only love... It's only love)
It's only love... (It's only love)
It's only love... (It's only love)

If somehow I could choose just one wish of mine
And have it come true
I would ask to be anywhere and I'd be fine
Just as long as I am there with you

BEAUTIFUL WORLD

When I look at you

The world around us fades away from my view

BEAUTIFUL BOY

Did you know you are

Clearly out shining this beautiful world's brightest star

It's only love
