

# Broken Machine

AmaLee

He collects the remnants of their desire  
With best intentions left wasted in suspended animation

But their past home was gone  
And their longing reborn  
He had no time to dwell on the problems ahead  
Reset the watch  
Advance across  
Time to time I've had to deal with loss

Mine away and feign indifference  
A grander plan is afoot  
He sees stoically that some trials are lost  
They're swept away in one breath

Do you think that he stops? Yet he searches for what?  
And the drills they relentlessly grapple with zeal  
Deadlock. Misplace. Erase. Take stock

Sometimes you just need to adjust

It's not the end of the world  
But you're acting so strangely  
Is it catharsis I seek?

Still their past home was gone and their longing reborn  
He had no time to dwell on the problems ahead  
Reset the watch  
Advance across  
(Reset the watch)  
(Advance across)  
Such risks will come and go at a cost
