

Guess Who Is Back

AmaLee

Somewhere far away awaits your destiny
But you've been led astray
So pave a brand new way

Yeah guess who's back
Everybody get down
Guess who's back
Yeah stand up (Stand up!)

The hands of fate have caught me
I'm falling down
Our hearts were beating on in harmony
When you were with me but that's all in the past
Sometimes I think I hear you call my name
Take me breath away
Yeah it pulls me right back
I can't sit back any longer and wait

Guess who's back
I'll stare in the eyes of death
Guess who's back
With fire in every breath
Guess who's back
This light hiding in my chest
Guess who's back
Will shatter this labyrinth
Guess who's back
Na na na na na na na na na
Guess who's back
Na na na na na na na na na
Guess who's back

We'll be together for eternity
Is what you said to me, but all those words were a trap
This world has much to desired, it's true
That much is overdue - I'll be the color it needs
I can't sit back any longer and wait!

Guess who's back
I'll stare in the eyes of death
Guess who's back
With fire in every breath
Guess who's back
This light hiding in my chest
Guess who's back
Will shatter this labyrinth
Guess who's back
Na na na na na na na na na
Guess who's back
Na na na na na na na na na
Guess who's back

The hands of fate have caught me
I'm falling down
You tell me what you wanna do baby right now
Show me what you got - Show me what you got now
You know how we do now

Hey guys, scream it out!
Bring it on boy and don't let me down now...

Guess who's back
I'll stare in the eyes of death
Guess who's back
With fire in every breath
Guess who's back
This light hiding in my chest
Guess who's back
Will shatter this labyrinth

Guess who's back
Na na na na na na na na na
Guess who's back
Na na na na na na na na na
Guess who's back
Na na na na na na na na na
Until I reach this light of hope before my eyes
