

Hero Too

AmaLee

What am I to be?
What is my calling?
I gave up giving up
I'm ready to go

The future's left unseen
It all depends on me
Put it on the line to follow my dream
Yeah

Tried all my life
I've tried to find
Something that makes me hold on and never let go
Oh

Hero too, I am a hero too
My heart is set (My heart is set)
And I won't back down
Hero too, strength doesn't make a hero
True heroes (true heroes)
Stand up for what they believe
So wait and see
So wait and see

What do they think of me?
Who do they think I'll be?
I could not care less
I don't wanna know

Am I doing right?
Am I satisfied?
I wanna live my life like it's meant to be
Yeah

Tried all my life
I've tried to find
Something that makes me hold on and never let go
Oh

Hero too, I am a hero too
My heart is set (My heart is set)
And I won't back down
Hero too, strength doesn't make a hero
True heroes (true heroes)
Stand up for what they believe
So wait and see

People will judge for no reason at all
Yeah, they might try to say your dream's dumb
Don't listen
They may look down on me and count me out
I'm going my own way
They may look down on me and count me out
But I'm a hero, I've got music

Hero too, I am hero too
My heart is set

And I won't back down
Hero too, strength doesn't make a hero
True heroes stand up for what they believe

Hero too, I am hero too
My heart is set (My heart is set)
And I won't back down
Hero too, strength doesn't make a hero
True heroes (True heroes)
Stand up for what they believe
So wait and see

I have met so many heroes in my life
Gave me the strength and courage to survive
Gave me the power to smile everyday
Now it's my turn to be the one to make you smile
So wait and see
So wait and see
