

I Got That

AmaLee

I'm running on luck
And I don't wanna lie
But it's eating me up
Not my style to comply

I like livin' life
Like it's do or die
If I'm villainized
For my state of mind
That's fine

I got that
Trigger-happy battle-loving
That crazy all-or-nothing
I keep 'em guessing
Gotta keep you mesmerized
I got that alluring fire
I'm an electric wire
One touch and you can't help
But become energized

I got that
I, I
I got that
Become energized

I wanna see the world
No I don't wanna hide
Like a caged up bird
I wanna live, not survive

Cause I got that
Shimmer and shine
Yeah I got that
Magnetic smize
I got those
Words like wine
Have you got it
Mesmerized

I like livin' life
Like it's do or die
If I'm villainized
For my state of mind
That's fine

I got that
Trigger-happy battle-loving
That crazy all-or-nothing
I keep 'em guessing
Gotta keep you mesmerized
I got that alluring fire
I'm an electric wire
One touch and you can't help
But become energized

Na na na, na na, na na

Na na na, na na na
Na na na, na na, na na
Become energized

Na na na, na na, na na
Na na na, na na na
Na na na, na na, na na
Become energized

Na na na
Na na na
Na na na
Become energized

Na na na
Na na na
Na na na
Yeah

See you can't keep your eyes off me
That's a matter of fact

I got that
Trigger-happy battle-loving
That crazy all-or-nothing
I keep 'em guessing
Gotta keep you mesmerized
I got that alluring fire
I'm an electric wire
One touch and you can't help
But become energized

Na na na, na na, na na
Na na na, na na na
Na na na, na na, na na
Become energized

Na na na, na na, na na
Na na na, na na na
Na na na, na na, na na
Become energized

I got that
I, I
I got that
That energy

I got that
I, I
I got that
Become energized
