

# Into The Unknown

AmaLee

I can hear you  
But I won't  
Some look for trouble  
While others don't  
There's a thousand reasons  
I should go about my day  
And ignore your whispers  
Which I wish would go away

You're not a voice  
You're just a ringing in my ear  
And if I heard you  
Which I don't  
Then I'm spoken for I fear  
Everyone I've ever loved  
Is here within these walls  
I'm sorry secret siren  
But I'm blocking out your calls  
I've had my adventure  
I don't need something new  
I'm afraid of what I'm risking if I follow you  
Into the unknown  
Into the unknown  
Into the unknown

What do you want  
'Cause you've been keeping me awake  
Are you here to distract me  
So I make a big mistake  
Or are you someone out there  
Who's a little bit like me  
Who knows deep down  
I'm not where I'm meant to be  
Every day's a little harder  
As I feel your power grow  
Don't you know there's part of me that longs to go  
Let it go  
Let it go  
Can't hold it back anymore  
Let it go  
Let it go  
Turn away and slam the door  
I don't care  
What they're going to say  
Let the storm rage on

Where are you going  
Don't leave me alone  
How do I follow you  
Into the unknown
