

You're not alone  
There's no doubt  
Your gift  
Isn't futile to be

If we'll be united  
We're stronger together  
We always have the high hope  
Not all for one but one for all

Don't worry 'bout a thing  
We'll reach out to you  
Even if it's the harder way  
It's plain to see the reason why  
Oh, that's all because of the mighty heart

Remember it's just natural that  
We'll be there if you need help  
Far across the distance  
Rest assured that our faith just won't die

You know we have to sacrifice ourselves  
No matter what they may say  
It's plain to see the reason why  
Oh, that's all because of the mighty heart

Remember it's just natural that  
We'll be there if you need help  
Far across the distance  
Rest assured that our faith just won't die
