

Mirror Mirror

AmaLee

Mirror, tell me something
Tell me who's the loneliest of all

Mirror, tell me something
Tell me who's the loneliest of all
Mirror, what's inside of me
Tell me can a heart be turned to stone

Mirror Mirror, what's behind you
Save me from the things I've seen
I can keep it from the world
Why won't you let me hide from me

Mirror Mirror, tell me something
Who's the loneliest of all

I'm the loneliest of all
