

# PONPONPON

AmaLee

What if everyone skipped down  
Along the city streets that run all throughout the town?  
Imagine if they met up in the city's heart  
And one by one they held hands and gazed up into the sky

If everyone would look around from where they stand  
And open up and learn to give and take a chance  
Then that will be the hope to chase away my cries  
So don't you fret just live on with your head held high-igh-igh

PON PON set it free  
C'mon, let the crazy show  
Because if you don't  
Life would be so dull, you know  
Headphones at full blast  
Rhythm's got me pumped at last  
WAY WAY open road  
Gotta make it on my own

PON PON can't you see  
Boundless possibilities?  
DON DON hear that beat?  
Sounds like it's your heart to me

BOY BOY stay with me  
Don't abandon what could be  
YEA YEA That's the way  
Ah-ah, you make me happy

Every day PON  
Every time is PON  
Jump on a carousel and don't let go  
Every day PON  
Every time is PON  
We cannot stay like this, but even so

PON PON set it free  
C'mon, let the crazy show  
Because if you don't
