Suppress this soul, the undesirable
Standing alone, it's undeniable
There lives regret but I have yet to find it
Light the fuse within my veins

I WANNA RENEGADE DOWN

This damn ringing in my ears, I'm wasted off the sound
I try'ta sober up but I'm addicted now

My drive to carry on, it's barely holdin' on
But this narcotic I will never forfeit

Holdin' these jagged crystals
I'm desperate but there's nowhere I can go
And it's not like I give a sh*t – "well, that's life" and I'm sick of it
So, upon my distorted sense of focus falls the blame

Now I'm livin' in ecstasy, without this bullsh*t to shackle me
I have reined in my demons, but they are far from tame

*TAKE AWAY AND LIVE FOR ME
And when the world pays you no mind
CARRY ON AND BURN IT DOWN
Get away from it all

TAKE AWAY AND LIVE FOR ME
And when you hear this voice of mine
CARRY ON AND BURN IT DOWN
YOU GOTTA BE THE ONLY ONE
YOU GOTTA BE THE ONLY ONE
YOU GOTTA BE THE ONLY ONE

I WANNA RENEGADE DOWN

If I played myself the fool, digressing from my track
It'd turn 180 and stab me right in the back

All that is left of me – My hate and sympathy
I'll sacrifice it all if that is the price

TAKE AWAY AND LIVE FOR ME
And when the world pays you no mind
CARRY ON AND BURN IT DOWN
Get away from it all

Suppress this soul, the undesirable
Standing alone, it's undeniable
There lives regret but I have yet to find it
Light the fuse within my veins

I WANNA RENEGADE DOWN

TAKE AWAY AND LIVE FOR ME
And when the world pays you no mind
CARRY ON AND BURN IT DOWN
Get away from it all

TAKE AWAY AND LIVE FOR ME
And when you hear this voice of mine
CARRY ON AND BURN IT DOWN
YOU GOTTA BE THE ONLY ONE

BREATH IN, BREATH OUT, submerge your voice
CALLING, CALLING, call our your name
THIS IS YOUR LIFE, so never lose yourself

WHY DON’T YOU COME?
THESE ARE PIECES OF YOU
WHY DON’T YOU COME
ON DOWN
