

# Rise

AmaLee

Welcome to the wild, no heroes and villains  
Welcome to the war we've only begun  
So pick up your weapon and face it  
There's blood on the crown go and take it  
You get one more shot to make it out alive  
So higher and higher you chase it  
It's deep in your bones, go and take it  
This is your moment, now is your time

So prove yourself and  
RISE, RISE  
Make 'em remember you  
RISE  
Push through hell and  
RISE, RISE  
They will remember you  
RISE

Welcome to the climb up, reach for the summit  
Visions pray that one false step lead the end  
So higher and higher you chase it  
It's deep in your blood, go and take it  
This is your moment, take to the skies

Go prove yourself and  
RISE, RISE  
Make 'em remember you  
RISE  
Push through hell and  
RISE, RISE  
They will remember you  
RISE

(So get along, so get along, go)  
(Get along 'long go a little harder)  
(So get along, so get along, go)  
(Get along 'long go a little harder)  
And as you fight among the death beneath the dirt  
(So get along, so get along, go)  
(Get along 'long go a little harder)  
Do you know yet?  
(So get along, so get along, go)  
Do you want it?  
(Get along 'long go a little harder)  
And when the giants call to ask you what you're worth  
(So get along, so get along, go)  
(Get along 'long go a little harder)  
Do you know if  
(So get along, so get along, go)  
(Get along 'long...)  
Win or die, you'll...

Prove yourself and  
RISE, RISE  
Make 'em remember you  
RISE  
Push through hell and

RISE, RISE  
They will remember you  
RISE  
Prove yourself and  
(So get along, so get along, go)  
RISE, RISE  
(Get along 'long go a little harder)  
Pick up your weapon and face it  
(So get along, so get along, go)  
RISE  
(Get along 'long go a little harder)  
(It's deep in your blood go and take it)  
Push through hell and  
(So get along, so get along, go)  
RISE, RISE  
(Get along 'long go a little harder)  
Higher and higher you chase it  
(Higher and higher you chase it)  
(So get along, so get along, go)  
RISE  
(Get along 'long go a little harder)  
(So get along, so get along, go)  
RISE, RISE
