

Samurai Heart

AmaLee

Hey! Hey! Samurai Heart!
Hey! Hey! Samurai Heart!
Hey! Hey! Samurai Heart!
Hey! Hey! Samurai Heart!
Hey! Hey! Samurai Heart!
Hey! Hey! Samurai Heart!

I know that
You're not listening
Your head is somewhere off in clouds
You keep ignoring the signs
And all my not-so-subtle hints
But it's always the same
Our two brains
One wavelength
Wait, that's just wishful thinking
I bet you don't even see me
Here standing next to you

Lost in the crowd
But I'm wandering lonely
Feeling so small
As I look to the sky
Nobody cares that I'm feeling lonely
More alone as time goes by

Hey! Hey! Can you hear me?
Is anybody there?
When will I get an answer?
I'm searching everywhere
Hey! Hey! This is my life
And my fate's all up to me
Whether I hate or love and smile or cry
This life I'm living is mine

Do do do do do do do wa!
Hey! Hey! Samurai heart!

Hey! Hey! Samurai Heart!
Hey! Hey! Samurai Heart!
Hey! Hey! Samurai Heart!
Hey! Hey! Samurai Heart!

As time is passing
Day by day
It's all the same
Yeah, it's nothing new
And it is killing me to know
That I'll never fit in
Thinking out loud, in this crowd
I know I've found
A way to check my footprints
I think I can walk a little more
More than I did before

Strolling on by
I pass a glass window

I catch a glimpse
Of something in me
But I'm so sick and tired of trying
Cause this world will never see

Hey! Hey! Can you hear me?
Is anybody there?
When will I get an answer?
I'm searching everywhere
Hey! Hey! This is my life
And my fate's all up to me
In so deep a small voice hidden in me
And now it's breaking free

Hey! Hey! Would you realize
That you can't do this alone?
You can't just throw your heart out
And hope to fill the hole
Hey! Hey! Don't need excuses
Cause I'm not giving them yet
I will not run and hide and wither inside
I'm gonna live my life!

Hey! Hey! Can you hear me?
Is anybody there?
When will I get an answer?
I'm searching everywhere
Hey! Hey! This is my life
And my fate's all up to me
Whether I hate or love and smile or cry
This life I'm living is mine

Hey! Hey!
Hey! Hey! Samurai heart!
Hey! Hey!

Whether I hate or love and smile or cry
This life I'm living is mine

Do do do do do do do wa!
Hey! Hey! Samurai heart!
