Woooooaaaaahhhh  
The pain and pleasure  
All come together  
There is no reason why

I've got my demons  
They don't know  
I'm fierce enough  
To let them show  
It's like a fire  
A stranglehold  
I wish I was invincible

Hello desire  
You're my old friend  
But I don't need  
You here again  
Just take a walk  
Go back inside  
I'll see you on the other side

Those souls that are wandering on  
Searching for the answers they want  
They all lose their way out in the chase

Woooooaaaaahhhh  
The pain and pleasure  
All come together  
There is no reason why

Woooooaaaaahhhh  
The pain and pleasure  
All come together  
There's no reason why

(Go playback)
