

Takedown

AmaLee

Takedown, takedown
Takedown, down, down, down (HUNTR/X girls to the world)
Takedown, takedown
Takedown, down, down, down (It's a takedown)

So sweet, so easy on the eyes, but hideous on the inside
Whole life spreading lies, but you can't hide, baby, nice try
I'm 'bout to switch up these vibes, I finally opened my eyes
It's time to kick you straight back into the night

'Cause I see your real face and it's ugly as sin
Time to put you in your place 'cause you're rotten within
When your patterns start to show
It makes the hatred wanna grow outta my veins

I don't think you're ready for the takedown
Break you into pieces in a world of pain, 'cause you're all the same
Yeah, it's a takedown
A demon with no feelings, don't deserve to live, it's so obvious

I'ma gear up and take you down
Woah-oh, da-da-da, down
It's a takedown
Woah-oh, da-da-da, down
I'ma take it down
Woah-oh, da-da-da, down
It's a takedown
Woah-oh, da-da-da, down (Take it down)

It's a takedown, I'ma take you out, you break down like, "What?"
It's a takedown, I'ma take you out and I ain't gonna stop
I'ma cut you open, lose control, then take out your heart
You'll be beggin' and cryin', all of you dyin', never miss my shot

When your patterns start to show
It makes the hatred wanna grow out of my veins

I don't think you're ready for the takedown
Break me free from the shadows, aimin' for your heart, tear it all apart
Yeah, it's a takedown
A demon with no feelings, don't deserve to live, it's so obvious

I'ma gear up and take you down
Woah-oh, da-da-da, down
It's a takedown
Woah-oh, da-da-da, down
I'ma take it down (Watch me do it, yeah)
Woah-oh, da-da-da, down
It's a takedown (Ooh)
Woah-oh, da-da-da, down (Ooh)

Oh, you're the master of illusion
Don't you try me, won't be deceived
Look at all the masses that you're foolin'
But they'll turn on you soon, so how?
How can you sleep or live with yourself?
A broken soul trapped in a nastiest shell

You're on the line, your soul is sized, I'll take your life and watch you die

You can try but you can't hide

It's a takedown, I'ma take you out, you break down like, "What?"

It's a takedown, I'ma take you out and I ain't gonna stop

I'ma cut you open, lose control, then rip out your heart

You'll be beggin' and cryin', all of you dyin'

I'ma gear up and take you down

Woah-oh, da-da-da, down (La-la-la)

It's a takedown

Woah-oh, da-da-da, down (Yeah-yeah, yeah-yeah, yeah)

I'ma take it down

Woah-oh, da-da-da, down (Ooh)

It's a takedown (Ooh)

Woah-oh, da-da-da, down (Watch me do it, yeah)

Take it down
