Amanda Black

The love I've been lookin' for  
I found it inside of me  
All I've been prayin' for  
Ndizoy' bona phambili

Find me, finding you  
Becomin' one  
Transcending finally, finally  
Find me, finding you  
Becomin' one  
Transcending finally, finally

I'll be, be all you need  
I feel, you breathe me in  
You, me, that's all we need  
To be a family  
I'll be, be all you need  
I feel, you breathe me in  
You, me, that's all we need  
To be a family

(I'll) be all you need (Ayy)  
You breathe me in (Oh)  
That's all we need (Ayy)  
A family

Ndlela endiz'thandayo ngayo (Itshintshile)  
Ntlungu zayizolo (Ziphilile)  
Namanxeba onke (Apholile)  
And'sena worry yangomso  
Duka uzolet' inkomo  
Yaliva lithin eliculo  
Mahlathi please thel' umlilo  
Ngothandolwethu, they needn't know

Find me, finding you  
Becomin' one  
Transcending finally, finally  
Find me, finding you  
Becomin' one  
Transcending finally, finally

I'll be, be all you need  
I feel, you breathe me in  
You, me, that's all we need  
To be a family  
I'll be, be all you need  
I feel, you breathe me in  
You, me, that's all we need  
To be a family

(I'll) be all you need (Oh, oh)  
(Oh)  
That's all we need (Ayy)  
A family
