Are we good?

Take pride and insult it with the best descriptions of fulfilled  
Inherit a listen between signs of sealed prayers  
Take your fears to the reality of your fight  
Love yourself bare and dusty  
Release the lioness to practice  
I am not scared anymore  
This is me  
Unapologetic and ready  
No one can save you  
May the galaxies fulfill its dreams upon all  
I chose me  
There has never been a better time to live than now  
Zivule kamva lam amaphupho afezeke  
Ndembathe thongo lam sebendilandela  
Vungama ngonyama yeHlathi amandla ndinawo  
The rise of any phoenix is a revolution waiting to be set alight  
I know the honour of truth now  
Imithandazo kaMama ayizange yaphephuka  
Isingqi sam sindikhomba nga phambili  
Thula wena mlomo wam uyalazi ikusasalikuphathel'eni  
Vuka sizukulwana sikaPhalo  
The time is now  
Kubo!

Yo mtshana  
I can't believe we here  
A few months ago, I thought I wasn't gonna make it  
I felt like I had nothing left to give  
Yo, like I was running on empty  
Kunzima nokuvuka  
Crying myself to sleep  
Blaming music, for breaking my heart  
When other people are trying to keep us apart  
I had to face myself, and look back, and try and remember  
Because I felt like, I don't know, was this meant for me still?  
But I had to remember why I chose it  
I had to remember the vision  
I had to remember the plan  
But, I still have those days when I feel like I'm not enough  
And I'm not strong enough  
And I feel alone  
But then I realize  
I look at the world, and I realize I'm not the only one
