

let it go,

Amanda Black

Zange ndaybona enje
Darkness is all I see
Even my soul heavy
Intlungu azpheli no

Oko ndibon ubomnyama
Oko ndibon inyembezi
Oko ndibon ubomnyama

Oko ndibon ubomnyama
Oko ndibon inyembezi
Oko ndibon ubomnyam

I gotta let it go, let it go
Let it go, let it go
Let it go, let it go
Yekela yekela

Let it go, let it go
Let it go, let it go
Let it go, let it go
Yekela yekela
Yekela yekela
Yekela yekela
Yekela yekela
Yekela

Ebsuku andilali ndihleli ndihlutshwa ngumvandedwa ahh ye
Ndistressa abazali ndithule andkwazi nokuthetha

I'm so afraid I don't wanna fail
Don't know how to feel don't know what to say
Disconnected I feel like I can't relate
Rip off the bandage andkhathali
Don't wanna need nobody I just need my body
It's in the me I don't see just wanna free my mind

I gotta let it go, let it go
Let it go, let it go
Let it go, let it go
Yekela yekela

Let it go, let it go
Let it go, let it go
Let it go, let it go
Yekela yekela
Yekela yekela
Yekela yekela
Yekela yekela
Yekela
