

lonely,

Amanda Black

Feels like I'm fading
And'safeeli like myself lately playin' Russian roulette with my
feelings
Andiboni kumnyama trying to make sense what I'm feelin'
I been standing still my whole world caved in and I'm sinking
Oh I oh I yeah

I wanna be okay
Don't wanna be lonely
I wanna be okay
Don't wanna be lonely

Andifuni uba lonely
Andifuni uba funuba
Andifuni uba lonely
Andifuni uba funuba

Don't know what to say
I've been feeling grey praying to someone I can't see begging f
or a way
Bathi indlela ibonwa kwabaphambili
But and'baboni getting carried away
Carry me away to another place better than this so I can see an
other brighter day
I just need to see my family ey yeah

I wanna be okay
Don't wanna be lonely
I wannabe okay
Don't wanna be lonely

Andifuni uba lonely
Andifuni uba funuba
Andifuni uba lonely
Andifuni uba funuba
