

I don't know about you  
But the feelings I had about us have been fading away  
I've been living through this  
Broke my heart and had to put it together together again

I've been crying out  
I've been healing now  
Now I'm finally over love that we had  
I've been crying out for the things we felt  
Am I finally over  
Love that we had

Ohh ohhhhhhhh  
Love that we had  
Ohhhh ohhhhhhhhhh  
Love that we had

Seems like time has run away from both of us  
But love will be okay in time  
Zange ndithi andik'thandi  
Hlale ndikuthanda  
Kodwa ubomi bukhethile

Gave you all my love was devoted  
Kodwa intliziyo yam aysafuni  
Scared of lonely but its okay  
Still intliziyo yam ayisafuni

I've been crying out  
I've been healing now  
Now I'm finally over all that we had  
I've been crying out for the things we felt  
Am I finally over  
Love that we had

Ohh ohhhhhhhh  
Love that we had  
Ohhhh ohhhhhhhhhh  
Love that we had
