Minding my own business
Tryna make this paper
You came along thinking you can break me yeah

Yonkinto ondenze yona
Only made me stronger you see
Mathuba agqithileyo
Lead me where I'm posed to be

Yonkinto ondenze yona
Only made me stronger you see
Mathuba agqithileyo

I've stopped running running
Running from my pain
Trying trying to stay in my lane
Sick and tired of hiding in shame
Afraid of going
The wrong way

Starting starting to think they all crazy
Bacing' ukuthi imma look shady
Thinking that I'm going quit you can't pay me
I'm gonna win
You gon see

Yonkinto ondenze yona
Only made me stronger you see
Mathuba agqithileyo
Lead me where I'm posed to be

Yonkinto ondenze yona
Only made me stronger you see
Mathuba agqithileyo
Lead me where I'm posed to be
