

Mna Nawe

Amanda Black

Kodwa bathi uthando akh'pheli
Xa uthand' umuntu asoze ajike
Promise me we wouldn't play no games
We were floating in the clouds no pain

But it ain't the same
When you look at me honey
When you say my name
When you kiss my lips buddy
When you hold my hand
Look into my eyes
I don't see the spark, anymore

Mna nawe, sasithandana, ngok'akfani
I must be crazy, crazy in your love
Mna nawe, sasithandana, ngok'akfani
Baby, baby oh

Wathi uyandithanda
Wathi awusoze uyeke
Ndakunika lonke ixesha lami
This love we got just ain't the same
You like the feeling
Now I'm seeing flames

But it ain't the same
When you look at me honey
When you say my name
When you kiss my lips buddy
When you hold my hand
Look into my eyes
I don't see the spark, anymore

Mna nawe, sasithandana, ngok'akfani
I must be crazy, crazy in your love
Mna nawe, sasithandana, ngok'akfani
Baby, baby oh

Awuphenduli when I call your name
Why k'mele ngifile this way?
Uthando alufanelanga lube buhlungu this way
Why undenza ndifile this way?
Awuphenduli when I call your name, oh why?
Why k'mele ngifile this way?
Uthando alufanelanga lube buhlungu this way
Baby why undenza ndifile this way?

Mna nawe, sasithandana, ngok'akfani
I must be crazy, crazy in your love
Mna nawe, sasithandana, ngok'akfani
Baby, baby oh
