

## Ndizele Wena

Amanda Black

Sometimes it's push and pull  
But, I never wanna lose you, I don't want to  
Oh baby  
Ndithanda wena wedwa  
And though it's not always easy  
Just know I love you  
I really do  
Ndingowakho  
And all I want you to know

Ndizele wena  
Ndizele wena  
Ndizele wena, oh oh  
Ndizele wena  
I'm here just for you

Sometimes I lose my temper  
Akekho endimthemba nje ngawe, oh oh  
Ngamanye amaxesha  
Ndifun ukubaleka  
You keep me safe in your arms, my baby  
And I just want you to know and trust in me

Ndizele wena  
Ndizele wena  
Ndizele wena, oh oh oh  
I just want you to know  
I came here for you
