

Sabela

Amanda Black

I've been walking down this road alone
Picking up the pieces that I lost along the way
I can hear her she is calling me
Ndim' vile uthi ixesha lakho lifikile
I can hear her ohh
Uthi sabela uya bizwa
Sabela uya bizwa

The old me is died and buried away
She's screaming I wasn't ready to die
Ohh I can hear her she is calling me
Ndim' vile uthi ixesha lakho lifikile
She is calling me yeah

Uthi sabela uya bizwa
Sabela uya bizwa

I can hear her she is calling me, I can hear her
I can, I can hear her she is calling me, I can hear her

Uthi ixesha lakho, utsi ixesha lakho lifikile
Utsi ixesha lakho, uthi ixesha lakho lifikile

I can hear her (I can hear her) she is calling me (she is calling me)
I can hear her (I can hear her)
I can, I can hear her (I can hear her) she is calling me
I can hear her

Uthi ixesha lakho, uthi ixesha lakho lifikile
Uthi ixesha lakho, uthi ixesha lakho lifikile
