I found what I've been looking for
Hidden in plain sight
I found what I've been searching for
It's been here the whole time

It's You, it's You, it's You
Jesus it's always been You
It's true, so true
Jesus it's always been You

I overcomplicated it
Got stuck inside my mind
It took some time unraveling
But I'm seeing with new eyes

It's You, it's You, it's You
Jesus it's always been You
It's true, so true
Jesus it's always been You

Ooh ooh
Oh oh oh
It's always been You
Ooh ooh
Oh oh oh

I'm done looking, I'm not searching anymore
My heart has found the One that I was searching for
I'm done looking, I'm not searching anymore
My heart has found the One that I was searching for
I'm done looking, I'm not searching anymore
My heart has found the One that I was searching for
I'm done looking, I'm not searching anymore
My heart has found the One that I was searching for

It's You, it's You, it's You
Jesus it's always been You
It's true, so true
Jesus it's always been You

Jesus, it's always been You
