

Rest

Amanda Cook

Bring your burdens
All to Jesus
There's nothing too big for Him
And He's never too busy for you
Tell your troubles
All to Jesus
There's nothing too big for Him and He's never too busy for you

All you weary, come and lay your head
On His shoulders
If your heart is heavy, take a rest
By still waters

Bring your secrets
Every weakness
There's nothing too big for Him and He's never too busy for you
All your greatest
Disappointments
There's nothing too big for Him
And He's never too busy for you

All you weary, come and lay your head
On His shoulders
If your heart is heavy, take a rest
By still waters
All you weary, come and lay your head
On His shoulders
If your heart is heavy, take a rest
By still waters

He will never run out of strength
He will never run out of patience
When you run to Him, He loves it
He will never run out of strength
He will never run out of patience
When you run to Him, He loves it
Oh
He will never run out of strength
He will never run out of patience
When you run to Him, He loves it
Oh oh
He will never run out of strength
He will never run out of patience
When you run to Him, He loves it

All you weary, come and lay your head
On His shoulders
If your heart is heavy, take a rest
By still waters

Bring your burdens
All to Jesus
There's nothing too big for Him
And He's never too busy for you
