

Still

Amanda Cook

I lift every fear to the heavens
Watch them disappear in Your presence
One by one they fall into perfect peace

You know everything, yet You listen
Through my anxious thoughts with compassion
One by one they fall into perfect peace

So I will be still
Oh I will be still
And know that You are
Know that You are God

Every wall I face, every giant
Every lasting chain, every lion
One by one they fall into perfect peace

So I will be still
Oh I will be still
And know that You are
Know that You are God

Oh I will be still
Oh I will be still
And know that You are
Know that You are God

If You are with me
What can overwhelm me
You render silent
All of my worry
If You are with me
What can overwhelm me
You end the war and
You set my heart free

If You are with me
What can overwhelm me
You render silent
All of my worry
If You are with me
What can overwhelm me
You end the war and
You set my heart free
You set my heart free

So I will be still
Oh I will be still
And know that You are
Know that You are God

Oh I will be still
Oh I will be still
And know that You are
Know that You are God
I know that You are God
