

Surrendered

Amanda Cook

I'm surrendered to the wind
Of Your Spirit with my heart in my hands
I'm surrendered to the wind
Of Your Spirit with my heart in my hands
I'm surrendered to the wind
Of Your Spirit with my heart in my hands
I'm surrendered to the wind
Of Your Spirit with my heart in my hands

I'm Yours
I'm Yours
I'm Yours
I'm Yours, I go where You go

I'll remember You carry me
In my weakness through the wilderness
I'll remember You carry me
In my weakness through the wilderness
I'll remember You carry me
In my weakness through the wilderness
I'll remember You carry me
In my weakness through the wilderness

I'm Yours
(You and only You God)
I'm Yours
(Have my heart, have my heart)
I'm Yours

I go where You go
I go where You go
Oh, I go where You go
I go where You go
I go where You go

You know what's best for me
So I'll trust You totally
You know what's best for me
So I'll trust You totally, I go where You go
You know what's best for me (I go where You go)
So I'll trust You totally (I go where You go)
You know what's best for me (I go where You go)
So I'll trust You totally (I go where You go)
You know what's best for me (I go where You go)
So I'll trust You totally (I go where You go)
You know what's best for me (I go where You go)
So I'll trust You totally (I go where You go)

I go where You go
I go where You go
I go where You go
I go where You go

I go where You go, I
I go where You go
I go where You go, yeah
I go where You go

I go where You go
I go where You go
I go where You go
I go where You go
I go where You go

Steps are ordered by You
All of my steps are ordered by You, yeah

You know when's best for me
So I'll trust You totally, yeah
Father, You know when's best for me
So I'll trust You totally, I go where You go

Yes, Lord I'll go where You go
Wherever Your winds blow (yeah, yeah, yeah)
I'll be there (yeah, yeah, yeah)
I go where You go

I go where You go
You lead, I'll follow
Through the valleys and shadows
You will lead me gently, shepherd of my soul
I go where You go
You lead, I'll follow
Through the valleys and shadows
You will lead me gently, shepherd of my soul
I go where You go
You lead, I'll follow
Through the valleys and shadows
You will lead me gently, shepherd of my soul

Shepherd of my soul
Shepherd of my soul
Shepherd of my soul

I go where You go, oh
Shepherd of my soul
I go where You go, oh
Shepherd of my soul
I go where You go, oh
Shepherd of my soul
I go where You go, oh
I go where You go

I'll go where You go, I'll go where You go
I'll go where You go, I'll go where You go
I'll go where You go, I'll go where You go
Shepherd of my soul
