

# We Will Wait

Amanda Cook

Can you see us  
It's getting hard to breathe down here  
Are you near us

It's getting greyer  
The black and white is gone  
And the clouds have crowded their way in

So we will wait  
For the sun to rise again  
Cause it is coming  
It's coming 'round the bend  
To rebuild things broken  
Retrieve things stolen  
Restore our tattered hearts

We are the beaten  
The lost, confused, alone  
We are children  
Ever searching for our home

So we will wait  
For the sun to rise again  
Cause it is coming  
It's coming 'round the bend  
To rebuild things broken  
Retrieve things stolen  
Restore our tattered hearts

Ooh, so won't You come  
And shine Your light on us  
Won't you come and shine Your light  
So won't You come and shine Your light on us  
Ooh, how we need Your light  
So won't You come and shine Your light on us  
Ooh, how we need Your light

So we will wait  
For the Son to rise again  
Cause You are coming  
You're coming back and then  
You'll rebuild things broken  
Retrieve things stolen  
Restore our tattered hearts

So we will wait  
For the Son to rise again  
Cause You are coming  
You're coming back and then  
You'll rebuild things broken  
Retrieve things stolen  
Restore our tattered hearts

You'll rebuild things broken  
Retrieve things stolen  
Restore our tattered hearts
