

Checka

Amanda Delara

In my Range, out of range, ayy, yeah, I'm on my way
Hit decline, s'il vous plaît, ayy, AK to the face
I write the checka
I write the checka
Rendevouz, The Saloon, ey, 1942
Blow it up, wreck a place, ay, bring a baby boo
I write the checka
I write the checka

Place a bet, on roulette, ey
Finalé, casino, moving up, people bluff, ey
Shit they say you see through
Mmmm, yeah yeah
Sure they want a lesson on me
Yeah yeah
Text a message, write an essay on me
Yeah yeah
Tarantino I be messin the scene
GPS the new location, bring the check up on me

In my Range, out of range, ayy, yeah, I'm on my way
Hit decline, s'il vous plaît, ayy, AK to the face
I write the checka
I write the checka
Rendevouz, The Saloon, ey, 1942
Blow it up, wreck a place, ay, bring a baby boo
I write the checka
I write the checka

Ayy, give me pen, let me write this check
We ain't splittin this bill, whats a 5050?
Just met a body from Hinckley, a chocolate one
And the rest was history
Quickly you ain't never done this swiftly , then it hit me
Now we really turn up the city
You don't want to see the place locked down like Italy
Grab a check, grab another, fiddy buck, hundred
She will beat it down like a drummer doin like a wheelie
Pass her to my brother
They don't know about the come up
On the block we had to struggle
We weren't always doing numbers
Grab a check and put that check on my mother

In my Range, out of range, ayy, yeah, I'm on my way
Hit decline, s'il vous plaît, ayy, AK to the face
I write the checka
I write the checka
Rendevouz, The Saloon, ey, 1942
Blow it up, wreck a place, ay, bring a baby boo
I write the checka
I write the checka
