

Shark Tank

Amanda Delara

Shark tank, you can come inside
I might bite, yeah I know what you like
Kiss me on my neck, yeah you know what I like
You're deep diving, swimming pool on my back

Shark tank, you can come inside
I might bite, yeah I know what you like
Kiss me on my neck, yeah you know what I like
You're deep diving, swimming pool on my back

Take an easy time, we're in Hawaii-aii-aii-aii
Then I'll make you busy in Dubai-ai-ai-ai
On a G6 to Mumbai-ai-ai-ai
Mile-high sips on the fligh-igh-igh-ight

Feels so good, get it right, touch it so nice
It was yummy-yummy last time
Feels so good, get it right, touch it so nice
Pussy make you baptized

Shark tank, you can come inside
I might bite, yeah I know what you like
Kiss me on my neck, yeah you know what I like
You're deep diving, swimming pool on my back

Shark tank, you can come inside
I might bite, yeah I know what you like
Kiss me on my neck, yeah you know what I like
You're deep diving, swimming pool on my back

All-time sunny, I like it when he's funny
Bouncing to bad bunny, ball so hard we go dummy
Tell me would you get in? Ooh, la-dee-da-da
Dangerous and thrilling, ooh got you caught up
Ooh, I'll take him home I might, my God, oh my God, oh my
Bottles open up (ooh)
My lips are liquor-like, like he be-be drunk tonight, yeah

Feels so good, get it right, touch it so nice
It was yummy-yummy last time
Feels so good, get it right, touch it so nice
Pussy make you baptized

Shark tank, you can come inside
I might bite, yeah I know what you like
Kiss me on my neck, yeah you know what I like
You're deep diving, swimming pool on my back

Shark tank, you can come inside
I might bite, yeah I know what you like
Kiss me on my neck, yeah you know what I like
You're deep diving, swimming pool on my back
