

## Another Christmas

Amanda Jenssen

They say that I'm a dreamer  
But what else am I to do?  
When dreaming is the only  
Way I can be with you  
And when I wish  
Upon a star make it come true  
If only for a second or two

Another Christmas  
Another empty house  
Another reason  
There is no Santa Claus  
May all your Christmases be white  
Though mine are blue  
It's just another Christmas without you

So let them sing their carols  
And dance around their trees  
And let them all be merry  
But they won't marry me  
And when wish upon a star  
Make it come true  
If only for a second or two

Another Christmas  
Another empty house  
Another reason  
There is no Santa Claus  
May all your Christmases be white  
Though mine stay blue  
It's just another Christmas without you  
Just another Christmas without you  
Without you  
It's just another Christmas without you
