

For the Sun

Amanda Jenssen

It's been four years since I saw the ocean
It's been five nights since I held your hand
It's been forever since we talked the whole night through
It's been too long, I need a comfort hand

So tell my love I'm leaving
I gotta find something to believe in
Tell my love I'm leaving
For the sun, for the sun
A new day has begun

It's been forty nights and forty days
Since I said I loved you
It took me two weeks to understand
But I just keep on searching
Everywhere for something true
But I guess it all leads back to you

Oh, tell my love I'm leaving
I gotta find something to believe in
Tell my love I'm leaving
For the sun, for the sun
A new day has begun

Oh, tell my love I'm leaving
Tell my love
I gotta find something to believe in
Tell my love
I'm going for the sun
For the sun, for the sun
A new day has begun
